

Products & Services

Electrical Panel Enclosures

We manufacture high-quality **MS, CRCA, and HRCA Electrical Panel Enclosures** designed for industrial, commercial, and infrastructure applications. Our enclosures are precision-engineered for durability, safety, and long service life.

Our Product Range

- APFC Panel Enclosures
- MCC Panel Enclosures
- PCC Panel Enclosures
- PLC & Automation Panel Enclosures
- Control Panel Enclosures
- Electrical Panel Enclosures
- Feeder Pillar Enclosures
- Distribution Board (DB) Enclosures
- VFD Panel Enclosures
- LT Panel Enclosures
- Motor Starter Boxes
- Junction Boxes
- Push Button Stations
- Wall Mount Enclosures
- Floor Mount Enclosures
- Outdoor & Indoor Panel Enclosures
- Custom-Built Panel Enclosures

Sheet Metal Fabrication

We provide precision sheet metal fabrication services using advanced manufacturing technology to produce high-quality components according to customer drawings and specifications.

Fabrication Services Include:

- Laser Cutting
- CNC Shearing
- Punching
- Hydraulic & Automatic Bending
- CO₂ Welding
- Manual Welding
- Custom Sheet Metal Fabrication

Surface Finishing

To ensure superior appearance and corrosion resistance, we offer:

- In-House Powder Coating
- Surface Preparation
- Quality Inspection & Finishing

Cable Management Solutions

We manufacture robust cable management systems suitable for industrial and commercial installations.

Products Include:

- GI Perforated Cable Trays
- Ladder Type Cable Trays
- Cable Tray Covers
- Cable Tray Accessories & Hardware

Industrial Storage Solutions

We manufacture durable storage systems for factories, warehouses, hospitals, and commercial facilities.

Products Include:

- Heavy-Duty Storage Racks
- Slotted Angle Racks
- Medical Storage Racks
- Industrial Shelving Systems
- Customized Storage Solutions

Custom Manufacturing

We specialize in manufacturing products as per customer drawings and technical specifications.

Our team provides:

- Custom Design & Development
- Prototype Manufacturing
- OEM Manufacturing
- Batch Production
- Industrial Fabrication Solutions

Value-Added Services

- Product Design Support

- Precision Engineering
- In-House Manufacturing
- Quality Assurance
- Customized Solutions
- On-Time Delivery
- Technical Assistance
- Reliable After-Sales Support

Ruptech Engineers Pvt. Ltd. is committed to delivering high-quality manufacturing solutions through advanced technology, precision engineering, and exceptional customer service. Our focus is to provide reliable, durable, and cost-effective products that exceed customer expectations.
