

About Ruptech Engineers Pvt. Ltd.

Engineering Excellence. Precision Manufacturing. Trusted Quality.

Ruptech Engineers Pvt. Ltd. is a professionally managed engineering and manufacturing company specializing in the design and production of premium-quality **Electrical Panel Enclosures, Sheet Metal Components, GI Cable Trays, and Industrial Storage Solutions**. With a strong commitment to innovation, precision, and customer satisfaction, we deliver reliable products that meet the demanding requirements of industrial, commercial, infrastructure, and automation projects.

Our state-of-the-art manufacturing facility is equipped with advanced machinery and a highly skilled workforce, enabling us to produce products with exceptional accuracy and superior finish. Every manufacturing process is carried out under one roof, ensuring complete quality control, faster production, and timely delivery.

In-House Manufacturing Capabilities

- CNC Shearing Machines
- Power Press & Punching Machines
- Hydraulic & Automatic Bending Machines
- CNC Laser Cutting Machines
- CO₂ & Manual Welding
- Precision Sheet Metal Fabrication
- Surface Preparation & Quality Inspection
- Fully In-House Powder Coating Facility

Our integrated manufacturing setup allows us to maintain consistent quality, optimize production efficiency, and provide customized solutions tailored to customer requirements.

Our Product Range

We manufacture a comprehensive range of high-quality sheet metal and electrical enclosure products, including:

- APFC Panel Enclosures
- MCC Panel Enclosures
- PCC Panel Enclosures
- Control Panel Enclosures
- Electrical Panel Enclosures
- PLC & Automation Panel Enclosures
- Distribution Boards (DB)
- Feeder Pillar Enclosures
- Motor Starter Boxes
- Junction Boxes
- Instrument & Control Boxes

- Custom Fabricated Enclosures
- GI Perforated Cable Trays
- Ladder Type Cable Trays
- Slotted Angle Systems
- Heavy-Duty Industrial Storage Racks
- Medical Storage Racks
- Custom Sheet Metal Fabrication Products

Our enclosures are manufactured using premium-quality **CRCA, HRCA, and Mild Steel (MS)** materials to ensure excellent strength, dimensional accuracy, corrosion resistance, and long service life.

Why Choose Ruptech Engineers Pvt. Ltd.?

- Complete In-House Manufacturing Facility
- Advanced Machinery & Modern Technology
- Precision Engineering & Superior Finish
- Customized Designs as Per Client Drawings
- Strict Quality Control at Every Stage
- Competitive Pricing
- Timely Delivery Commitment
- Experienced Technical Team
- Reliable After-Sales Support
- Customer-Centric Approach

Our Commitment

At **Ruptech Engineers Pvt. Ltd.**, we believe that quality is not just a process—it is our commitment. Every product leaving our facility reflects our dedication to engineering excellence, precision craftsmanship, and continuous improvement. Our mission is to build long-term relationships by providing dependable, high-performance manufacturing solutions that add value to our customers' businesses.

Ruptech Engineers Pvt. Ltd. – Your Trusted Partner for Precision Electrical Panel Enclosures, Sheet Metal Fabrication, GI Cable Tray Systems, and Industrial Storage Solutions.
